

Zultys Certified System Engineer Training Classes Scheduled in CTD's New Training Facility

January 12-15

March 9-12

May 11-14

July 13-16

September 14-17

November 16-19

CTD University will host a Zultys Certified instructor lead, hands-on version of the authorized Zultys (ZCSE) curriculum which includes the final certification exam.

Sean Robertson, our CTO will be conducting the training while sharing his vast experiences and knowledge regarding the Zultys product line as well as the telephony marketplace in general. Feel free to give Sean a call if you have specific questions regarding these sessions.

Authorized Zultys VARS must have at least one technician on staff that has participated in a live classroom training environment. We feel that the return on your investment will be immediate gratification due to the fact that students will return with the skills necessary to configure, program and trouble shoot any MX system.

For this reason, we are offering an introductory price to our valued resellers of **\$500** per registration.

Just where is CTD?

Greenville is located in the foothills of the Blue Ridge mountain chain of the Appalachian mountains and is less than three hours from the white sand beaches of the Atlantic ocean. It is situated on I-85 halfway between Charlotte, NC and Atlanta, GA.

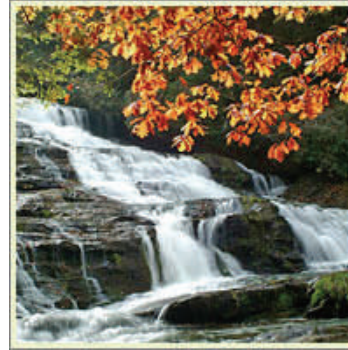

How do I get there?

Greenville-Spartanburg International Airport (GSP) is located in Upstate South Carolina, midway between the cities of Greenville and Spartanburg on I-85 (Exit 57). GSP has grown into one of the finest airports in the country, steadily meeting the Upstate's ever-increasing needs.

Where do I stay?

The Hampton Inn® Greenville on Woodruff Road is conveniently located within blocks of our facility, and is easily accessible from I-85 and I-385. Courtesy shuttle is available from GSP (approximately a 10 minute drive). With over 100 restaurants within .5 miles radius and reasonable rates makes this location a preferred choice.

Next choice, is the new **Drury Inn Suites** also located on Woodruff Road at Carolina Point Parkway.
